COURTNEY + JEREMY

OUR STORY

TOLD BY COURTNEY

We met in 2020 and have been inseparable ever since. Our early dates were filled with incredible chemistry, quickly blossoming into a deep love and care for each other. Family is at the core of our values, and we prioritize it above all else. Our unwavering loyalty is one of the qualities that brought us together. After a year of dating, we were engaged and exchanged vows surrounded by our extensive family and lifelong friends on a cruise in the heart of the Caribbean.

WHY WE CHOSE ADOPTION

Despite struggling with infertility challenges and unsuccessful rounds of IVF, our desire to become first-time parents never wavered. Witnessing the joy experienced by close friends who have expanded their families through adoption has inspired and motivated us on this path. We chose adoption because we sincerely want to be parents, and will support, love and guide your child through life.

OUR VALUES

KINDNESS

EMPATHY

INTEGRITY

We were raised in Christian homes where we were taught to treat everyone with kindness, love, and respect. We both do our best to live our lives with integrity. We believe that it's important to look for ways to support our community and we strive to wholeheartedly care about those in the world around us. Family has played a central role in both of our lives, letting us know that we're always supported and that in any situation, family is always there for you.

HANGING OUT AND SNUGLING WITH MY NIECES

SWIMMING IN THE BRITISH VIRGIN ISLANDS

I grew up in South Florida on the beach. My favorite childhood memories were spending time with my siblings playing games, making forts, attending church, and going to the beach. We frequently went on cruises, which is one of my favorite things to do as an adult! As a child, I was a competitive swimmer, danced (tap, ballet, jazz), sang in choir, performed in plays and was a cheerleader for as long as I can remember.

At my job, I care for cancer patients. I enjoy walking patients through their journey with positivity and kindness, helping to bring hope and laughter back into their lives. I have a traditional working schedule and look forward to taking 3 months off once we adopt.

MY FAVORITE THINGS

- Reality TV shows
- Watching comedians
- All music, from hip-hop to country

PLAYING GOLF

FUN FACT!
I have a ridiculous ability to remember song lyrics.

I was born in Tennessee, but I grew up in a small town in upstate New York. Growing up, I was obsessed with baseball, and my favorite memories are of playing baseball with my brother, who is just 11 months older than me. I was also interested in drawing, reading, and history.

I work for a transportation technology company where I help build things that lead to safer streets and fewer accidents. My schedule is flexible, and I work from home. This will allow me the ability to care for a child and take them to any appointments. I look forward to six weeks of parental leave once we adopt.

WHAT COURTNEY LOVES ABOUT JEREMY

Jeremy is loyal, smart, and funny. He is a good listener and is very patient. He is my protector and makes sure that I am always safe. "Fun" is his middle name, and he always keeps me laughing. He easily cheers me up and spreads joy to anyone he is near. I am thankful that he is my husband, and he will be the best dad around!

OUR PUP, ORI

Ori has a playful energy and gentle nature. We often joke that she should be an emotional support animal, as she loves to hug and helps calm others down when upset. She is excited about having a small friend that will play with her in the fenced backyard.

OUR HOME SWEET HOME

We live in a beautiful home in Florida! Our home has a fenced-in backyard, which is perfect for children to play in. We reside in a gated neighborhood surrounded by friendly neighbors, lots of other children, and an A-rated elementary school within a five-minute walk to our front door.

Our community boasts an array of family-friendly amenities and events, including playgrounds, two swimming pools, tennis courts, walking trails, a pickleball court, basketball courts, and food and ice cream trucks. We have a golf cart that we ride around in our neighborhood and the surrounding areas. We love driving our golf cart to the pool or the neighborhood deli. We are a short drive from world-renowned tourist attractions.

OUR LOVED ONES

We are fortunate to live near supportive family members and close friends who enrich our lives with laughter, love, and shared experiences. Both of our parents and our siblings and their families all live locally. We have six nieces and two nephews who can't wait for a new playmate! We spend time with our family frequently. We attend family dinners, lots of birthday events, our nieces and nephews sporting events or plays and frequent Universal Studios and Disney World.

RAISING YOUR CHILD

We believe in fostering a nurturing environment where your child feels loved, supported, and empowered to pursue their passions and dreams. We prioritize open communication, empathy, and lifelong learning, guiding your child to become a compassionate and determined individual.

We live in a really good area for public schools with all A-rated schools. Education has been a point of emphasis in our lives and will be in the lives of our children as well.

OUR FAVORITE FAMILY TRADITIONS

- We love spending holidays with our family. For Easter, we paint Easter eggs the night before, attend church on Sunday. For Christmas we decorate our home and our large tree as early as we can. We host a Christmas Day dinner every year and exchange fun gifts with our family.
- When the weather is really nice, we like to head to the pool on Friday afternoons. Afterwards, we'll pick up a pizza from our favorite pizzeria and throw on a movie.
- Birthdays are big in our household. We love going on vacations for birthdays or hosting a big dinner with family.

THANK YOU!

We are dedicated to providing a loving and nurturing home for your child. Our commitment to you is that we will support your child through everything, cherish, and guide them through every milestone and challenge, and always be there to catch them when they fall. We will create a safe home where they can flourish, feel valued, and find their place in the world.

We will embrace your child's uniqueness, ensuring their understanding of their past, and championing their future. As new parents, we promise to provide an environment where your child can thrive emotionally, intellectually, and creatively. Thank you for viewing our profile and learning about our compassionate and playful family!
