# OUR STORY

WE MET AT A PLACE  
WE LOVE, A PLACE  
WHERE WE SPEND  
OUR SUMMER NIGHTS  
MAKING MEMORIES  
WITH OUR FAMILY  
AND FRIENDS—WE MET  
AT A BALLPARK IN  
THE SUMMER OF 2010.

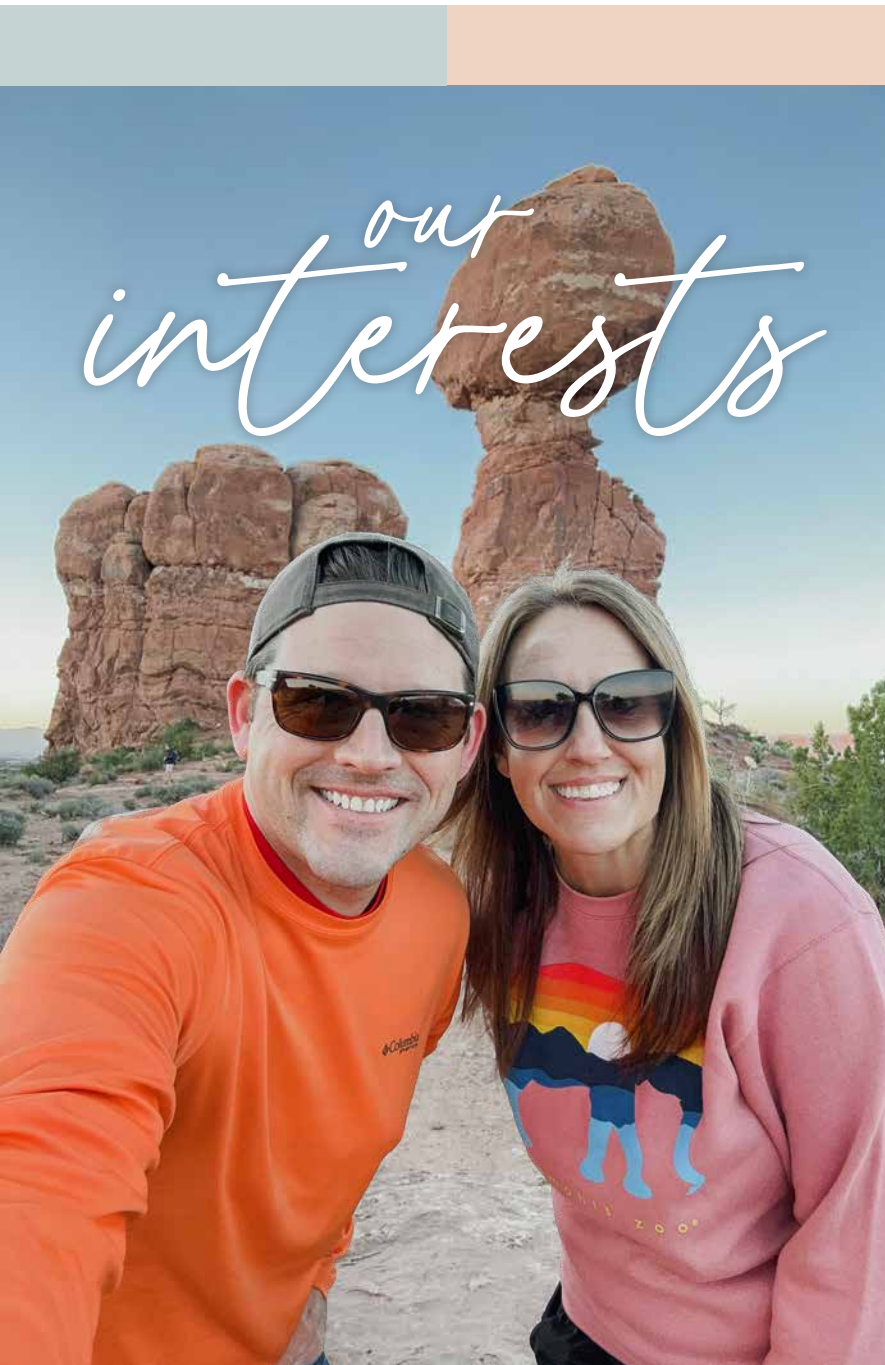

From our first date in 2013, we never looked back. We took an adventure to Canada in 2016 and got engaged in the mountains of Vancouver. One year later, we said 'I do' on the beach on the Gulf Coast of Alabama! In the years since, we've had challenges starting our family. We are ready to start a new chapter in our lives, by welcoming our first child. We are thankful for the little and big moments we share together. Our life together has been full of adventures, from exploring the outdoors to cheering on our favorite teams. We prioritize our 'us' moments, and we are excited to start creating these memories with our child.

**WE ARE HUGE SPORTS FANS! WE LOVE TO CHEER ON OUR FAVORITE TEAMS IN PERSON AND ON TV!**

We love the outdoors. Whether it's hiking, chasing waterfalls, fishing, relaxing at the beach or the lake. Most of our travel adventures are planned around what type of outdoor activities we can do and sporting events we can attend! That being said, we also love to spend time at home, reading, watching our favorite TV shows, grilling out, and enjoying our beautiful neighborhood. We can't wait to take our child with us on all of our adventures. We think it's so important to explore this great big beautiful world we live in!

LIFE IS BETTER AT THE BEACH

**KILI IS A FRIEND  
TO EVERYONE,  
SHE KNOWS NO  
STRANGER!**

Kili is always there when you need her the most, a true friend and an amazing wife. She is a cheerleader who encourages you to dream big, and she's always there to give a comforting shoulder when life throws you a curveball. The joy she brings to my life is so special and how she gives back to help others is very inspiring. Kili will be a tremendous mom. Kili has a career in television sports production. She has been fortunate to turn her love of sports into her career! Kili loves family traditions and her childhood memories, especially Christmas time. She can't wait to share those traditions and create new ones with our baby.

**MICHAEL IS THE  
KINDEST, MOST  
THOUGHTFUL  
PERSON I'VE  
EVER MET.**

Michael would give you the shirt off his back and his last meal if someone needed it. He's hard working, honest, supportive and so incredibly loving. He always sees the good in everyone, and every situation. And man is he funny. We are constantly laughing. It's so important to him to cherish every moment, big and small, and I know he would instill that same mindset into our child. He will be the world's best dad. Michael has always focused on giving back to help others. He is a corporate fundraising leader, helping to fundraise for children's healthcare. Michael enjoys sports, fishing, camping, playing games, exploring new places, but most of all, he loves his time with his family. We are so very grateful for everything we have and are ready to share our life and our love with our baby.

NEIGHBORHOOD WALK WITH HANK

WE HAVE THE BEST NEIGHBORS!

WE LIVE IN A COMMUNITY WITH TREE-LINED STREETS, WHERE NEIGHBORS GATHER TOGETHER ON GOLF CARTS TO WATCH THE SUNSETS, AND KIDS PLAY AT THE PLAYGROUND.

# OUR HOME

Our nightly neighborhood walks are one of the highlights of our days. We simply love enjoying the beauty of the outdoors and chatting with our neighbors. We celebrate holidays with neighborhood trick-or-treating, golf cart parades and festive gatherings. We absolutely love our home and can't wait to watch our little one explore, play and join our neighborhood "family".

CELEBRATING OUR COUSIN'S KINDERGARTEN GRADUATION

WE ARE GRATEFUL FOR THE PEOPLE WHO MAKE US HAPPY AND BRING JOY TO OUR LIVES.

Despite the distances, we are so close and make the most of every chance we get to spend time together. You'll often find us cooking together, preparing a delicious meal, followed by family game night – it's one of our favorite traditions! Just as important as family, the people we are lucky to call friends are a huge part of our lives. We like to call them "family your heart picks".

**THANK YOU AGAIN  
FOR TAKING THE  
TIME TO LEARN A  
LITTLE BIT ABOUT  
US AND OUR FAMILY.**

We know this is not a decision you will make lightly, and we are grateful for your consideration. Please know that if you choose us, we will raise your child with unconditional love and support. We will encourage them to chase their dreams and give them every opportunity to experience all the wonderful things life has to offer. Most importantly, we will make sure they know where they came from, and to appreciate the love and sacrifice you made for them.

*Thank you!*
