

# JABARI *and* CHINELLE

Hello!

# WE ARE JABARI & CHINELLE,

AND TOGETHER WE'VE BUILT A LIFE THAT IS SIMPLE,  
MEANINGFUL, AND FULL OF GRATITUDE.

**WE BELIEVE EVERY CHILD  
IS A BLESSING, AND WE  
ARE EXCITED TO OPEN OUR  
HEARTS TO YOURS.**

Thank you for giving us this opportunity to share the love and joy in our lives. For us, every day is a blessing. We love traveling, exploring new places, and experiencing different things, but we also treasure the quiet moments at home, which is always our happy place.

# OUR CARIBBEAN ROOTS

**ARE A BIG PART  
OF WHO WE ARE.**

The music, the food, the celebrations, and the richness of the culture bring joy to our daily lives. We look forward to creating traditions with our child, whether it's cooking favorite meals together, celebrating Caribbean festivities, dancing to music, or spending time surrounded by family. Sharing these traditions is one of the ways we hope to give our child a strong foundation filled with love and connection.

## *Adoption*

**IS SOMETHING WE FEEL  
DEEPLY CALLED TO, AND WE  
ARE READY TO POUR ALL OF OUR  
LOVE, PATIENCE, AND CARE  
INTO RAISING A CHILD.**

We also believe in the importance of open adoption if that's your choice, so your child can always know their story, their roots, and the love you have for them. Thank you again for considering us as part of your child's journey. We are truly grateful for your courage, and we would be honored to walk this path with you.

# Our STORY

**JABARI AND CHINELLE  
MET ON A DATING SITE  
IN DECEMBER 2015.**

Jabari had recently moved to Maryland with hopes of meeting new people, while Chinelle was looking to try something different since her busy work schedule left little time for socializing. On their first date at BJ's Restaurant, Jabari was nervous, but he knew right away that Chinelle was the one. After dating for a few months, they made their relationship official. From donut dates to overseas adventures, both felt that God had already written their story. In 2017, combining their shared love of travel, Jabari proposed on the beautiful island of Antigua. They were married the following year, with God as the foundation of their marriage.

IN EVERYTHING  
WE DO, WE STRIVE  
TO STAY GROUNDED  
IN *our faith* AND THE  
VALUES THAT KEEP US  
CONNECTED.

Our relationship is built on love, trust, and a shared belief that life's journey is best traveled with gratitude and purpose. We love to travel, cook, hike, and take long walks together, but what we cherish most is spending time with the people who mean the most to us and who continually bring joy and support into our lives. One of our favorite traditions is celebrating Christmas, wearing matching pajamas, sharing laughter, and enjoying the warmth and joy of the season surrounded by those we love.

# ABOUT JABARI

**JABARI IS KIND, LOVING,  
AND SELFLESS, WITH THE  
BIGGEST HEART.**

He enjoys DIY projects, carpentry, building sound systems, and creative projects around the house. He also loves manicuring the lawn; I sometimes joke he's in a friendly competition with the neighbors for the best-cut grass! What I admire most is how deeply he loves me and always makes sure I feel cared for and supported.

Watching him with our nieces, nephews, and my godchildren is one of my favorite things. He is patient, playful, and truly enjoys spending time with children. While I tend to be the planner, Jabari has a gift for creating thoughtful experiences. One of my favorite memories is when he turned our home into an Italian restaurant, preparing a full meal and even dressing as a waiter, his thoughtfulness always amazes me.

Jabari is endlessly curious, whether snapping photos, exploring new restaurants, diving into history, or tinkering with electronics and cars. A foodie at heart, he loves Caribbean flavors, with Indian cuisine as a close second.

Many family and friends call Jabari when they need someone to talk to because he is calm, supportive, and easy to open up to.

*We believe*  
**PARENTING**

**IS ONE OF LIFE'S GREATEST  
RESPONSIBILITIES AND  
BLESSINGS.**

To us, being parents means creating a safe, loving environment where a child can grow into the person they are meant to be, confident, kind, and secure in who they are.

We want to raise our child with strong values, teaching the importance of love, respect, faith, kindness, and gratitude. We

believe in leading by example, showing our child what it means to care for others, work hard, and treat everyone with compassion.

At the same time, parenting is about joy, making memories, and celebrating life's little moments. From family dinners and bedtime stories to backyard adventures and traveling together, we are

excited to see the world through our child's eyes and help them discover their passions and gifts.

Most importantly, we will always make sure our child knows they are deeply loved, not only by us, but also by the family and friends who surround them, creating a supportive, nurturing environment in which they can thrive.

*Thank you  
so much*

**FOR TAKING THE TIME

AND GET TO KNOW US.**

We promise to nurture, support, and care for them unconditionally, to celebrate every milestone, and to provide a home filled with laughter, warmth, and faith.

We also promise to honor your role in their life and to respect the love and connection you share. Our commitment is to raise our child in a safe, joyful, and supportive environment, where they will feel valued, cherished, and empowered to grow into the amazing person God created them to be.
