Hello!

IT'S SO NICE TO MEET YOU HERE!

Thank you so much for looking through our profile and for taking the time to learn about us. These pages are just a small window into our lives — moments of joy, laughter, and adventure. We are a family who treasures every shared meal, every silly moment, and every challenge we've overcome together. More than anything, we dream of welcoming a child into that love and of honoring the incredible woman who makes that possible.

We can't begin to imagine all the thoughts and emotions you may be experiencing, but we want you to know that we see your strength, courage, and love. Whatever decision you make, we are profoundly grateful for your time, your openness, and your heart. Our wish is that you feel supported, respected, and surrounded with care today and in all the days ahead.

Vaish and Manik

our story

FINDING FOREVER

We met during Thanksgiving weekend in Chicago and knew from the very beginning that we had found something special. Our first date was at Cold Stone Ice Cream, and from that moment on, we never looked back. We were married in Chicago and also celebrated with a traditional ceremony in India in 2007. This year, we celebrate 18 years of togetherness.

LIFE TOGETHER

Over the past few years, we have renovated our home and expanded our little family by adopting a kitten, Hemingway, to join our dog, Junebug. We both have careers we love: Vaish as a physician and Manik as an engineer. **We love the life we have built together and eagerly look forward to our next chapter: growing our family through adoption!**

our heart for adoption

YOUR CHILD WILL ALWAYS KNOW THAT
THEY BELONG.

Raising a child will be the most incredible privilege of our lives. Becoming parents has been our dream, and adoption has always been a meaningful option for us as we plan our journey to start a family. We have created a home that is full of warmth, laughter, and unconditional love — a place where your child will always feel safe, cherished, and celebrated for who they are.

We promise to provide your child with all the love, compassion,
and support that we can offer.

TOLD BY MANIK

FROM THE MOMENT I MET VAISH, MY WORLD GREW BRIGHTER. WHAT DREW ME TO HER WAS HER KINDNESS, HER PASSION FOR LIFELONG LEARNING, AND HER HEART FOR SERVING OTHERS.

Embracing Kindness: Vaish has an extraordinary way of making people feel loved and cared for. She shares a close bond with her parents and sister, and she is a devoted aunt. Children are naturally drawn to her and in her presence they feel safe, seen, and cherished.

Lifelong Learning: Endlessly curious, Vaish has earned three graduate degrees — two in engineering and one in medicine. She is also an avid reader who finds joy in sharing stories with kids through volunteer reading.

Spirit of Service: Vaish's compassion is one of the reasons she chose to move from a successful career in banking and technology into medicine. Helping others is simply part of who she is.

More than anything, Vaish has always dreamed of being a mother. I know she will pour her love, patience, and joy into raising a child. I feel incredibly grateful to share life with her, and I cannot wait to see the amazing mother she will be.

meet Manik

TOLD BY VAISH

FROM THE VERY BEGINNING, MANIK HAS BEEN MY STEADY PLACE AND MY SOURCE OF STRENGTH. HE HAS AN INCREDIBLE WAY OF MAKING PEOPLE FEEL COMFORTABLE AND VALUED, AND I'VE SEEN HOW FAMILY, FRIENDS, AND EVEN STRANGERS ARE DRAWN TO HIS KINDNESS.

Committed & Humorous: Manik is deeply devoted to those he loves. He is playful, patient, and always present, and children adore him. His gentle humor and ability to listen make him someone they instantly trust.

Kind & Curious: He has a fun, "nerdy" side that I love. Whether it's diving into a new subject, getting lost in a book, or sharing a quirky fact, he brings curiosity into everything. He's happiest on a long drive, working out, or tinkering with new ideas.

Generous & Humble: Despite working at one of the largest tech companies in the world, Manik is humble to a fault. He is the person who shows up quietly, offering help before it's ever asked.

Manik has always dreamed of being a dad, and I know he will be a fun, loving father who makes a child feel completely cherished. I feel so lucky to share life with him, and I cannot wait to see the joy he will bring as a parent.

HOME IS WHERE THE *heart is*

WE HAVE ALWAYS BEEN HOMEBODIES, SO FINDING THE
RIGHT SANCTUARY WAS IMPORTANT TO US.

WE BELIEVE WE FOUND IT HERE.

Our home, lovingly tucked among old trees, was built in 1940 and still holds all its original Tudor charm. There's a special warmth about it — we often say it has the best “juju” — the feeling of a warm hug that greets you the moment you step inside.”

we love our home!

Our neighborhood is diverse, welcoming, and safe, with some of the best schools in the country just around the corner.

More than anything, our home is filled with love and ready to embrace new memories, laughter, and the joy of a growing family.

Junebug is our sweet 16-year-old beagle mix, adopted soon after we were married. She has been a treasured part of our family ever since. These days, she enjoys naps in sunny spots, joining us for meals, and greeting guests with her gentle tail wag. **Junebug's loving nature will make her a wonderful "big sister" to a child.**

pets*

JUNEBUG &
HEMINGWAY

Hemingway is our playful 1-year-old cat who has filled our home with joy since the day he arrived. He's curious, energetic, and always ready to turn an ordinary moment into fun. At the same time, he's gentle and social, happily welcoming new people. **We know he'll love sharing his playful energy with a little one.**

our friends

We are blessed with a large and diverse group of friends in Dallas, each with unique backgrounds and stories. Many of them are raising children of their own, and we love celebrating alongside them.

From backyard hangouts to cozy dinners, our friendships are filled with laughter, warmth, and joy. This circle of love and support is one of the many blessings we look forward to sharing with a child.

extended family

Vaish comes from a large, close-knit family full of traditions.

She is especially close with her sister, who lives in California with her husband and son. Vaish's parents divide their time between Dallas and California, and when in Dallas they live in our neighborhood. They cannot wait to meet their future grandchild!

Manik's family may be smaller, but he is close to his mom, who lives in India and frequently visits. She is excited to spend time with her future grandchild. We also have cousins across the country and love reconnecting with them during family gatherings.
