

James & Sharon

Hello! We're Sharon & James

from

ORLANDO, FLORIDA ALONG
WITH OUR DOG, LOKI

Thank you so much
for taking the time to
learn a little about us.

We can only imagine how hard this
decision must be, and we want you
to know how much we respect your
strength and love for your baby.

We're excited to share who we are
and what life in our family is like — the
laughter, the traditions, and the
everyday moments that make our
home special.

Our hope is that, through this, you'll
get a real sense of the kind of love and
care we would give your child.

On Adoption

Adoption has always held a *special place* in our hearts.

From the very beginning, we talked about how, if we decided to have children, adoption would be our first choice. James was adopted at birth, and through his story, we've seen the incredible power of love that builds families in the most beautiful ways. When we learned that Sharon shouldn't have biological children, it only confirmed what we already felt in our hearts — that adoption is the path meant for us. We're so grateful for the chance to grow our family this way and to give a child the same unconditional love, support, and sense of belonging that James experienced from his own adoptive parents.

Our Love Story

BEGAN ONLINE IN JULY 2022, AND WHEN WE MET IN PERSON FOR THE FIRST TIME, WE INSTANTLY KNEW OUR CONNECTION WAS SOMETHING RARE AND BEAUTIFUL.

TRYING EVERYTHING IN OUR POWER TO STOP LOKI FROM TAKING A DIP!

From that moment, we've been inseparable—sharing laughter, adventures, and a deep sense of home in each other. We love exploring new places together, spending time with our sweet dog Loki, and ending our days with magical moments at the Disney parks, even if only for an hour.

We got married in Florida surrounded by family, love, and hope for the future. Our relationship is built on kindness, laughter, and unwavering support, and we dream of sharing that same love and magic with a child—creating a home filled with warmth, adventure, and endless love.

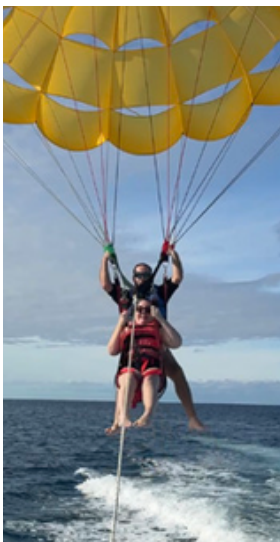

Hobbies & Interests

TOGETHER, WE LOVE MAKING
MEMORIES THROUGH SHARED
ADVENTURES AND SIMPLE,
JOYFUL MOMENTS.

Traveling is one of our favorite things to do. Whether we're exploring new cities, discovering hidden local gems, or taking spontaneous weekend getaways, we love experiencing the world side by side. It's our goal to travel to a new place at least once a year, exploring different cultures, landscapes, and experiences as a family. These adventures are not just for fun. They are a way to inspire curiosity, resilience, and a sense of wonder in your child. By stepping out of our comfort zones together, we hope to teach them the joy of discovery and the confidence to embrace the unfamiliar with excitement and an open heart.

We also share a special love for Disney, often spending an evening wandering the parks, grabbing a favorite snack, and soaking in the magic together. At home, we love spending time with our dog Loki, cooking together, watching movies, and enjoying the comfort of each other's company.

Whether we're out exploring or just relaxing at home, we always find joy in being together, laughing, and creating memories that make our relationship so full of love and happiness.

About Sharon

Sharon is originally from Fremont, California, and moved to Orlando, Florida to follow her lifelong dream of working for the *Walt Disney Company*.

CELEBRATING THE HOLIDAY
SEASON AT MAGIC KINGDOM

Just two weeks later, she met James—an encounter that changed her life. Sharon's childhood included periods of homelessness and instability, experiences that shaped her into the strong and compassionate woman she is today. With James, she found both love and the sense of stability she had always longed for. Together, they've built a life full of joy, exploration, and simple, shared rituals—whether that's spending weekends wandering through the theme parks they love so much or Sharon heading to her favorite Barre classes, which have become an important part of her self-care and wellbeing. With James by her side, she has been able to heal, dream again, and look forward to a future filled with hope and laughter. She plans to be a stay-at-home mom, dedicating her time and heart to creating a nurturing, joyful, and stable home where a child will always feel safe and loved.

SHARON READY FOR CHRISTMAS

From the moment I met Sharon, I was drawn to her strength, warmth, and the light she brings into every room. She has this incredible ability to make people feel seen, loved, and valued—something that comes from her own life experiences and the compassion she's gained from them. Sharon has a heart that overflows with kindness and empathy, and I know those qualities will make her an amazing mother.

She's patient, nurturing, and endlessly loving, with a natural way of making every moment feel magical, whether it's a simple walk with our dog Loki or a spontaneous trip to the local theme parks. I know she'll be the kind of mom who creates a home filled with laughter, comfort, and unconditional love—a place where your child will always feel safe, supported, and cherished.

About James

James grew up in Boca Raton, Florida, and moved to Orlando to attend the *University of Central Florida*.

Adopted at birth, he's always known he was deeply loved and chosen by his parents, growing up in a happy, supportive home that taught him the value of family and unconditional love. A lifelong sports fan, James grew up playing tennis, enjoys staying active, and loves golfing with friends on the weekends. He looks forward to sharing that same joy with a child—whether it's cheering at games or encouraging them to try any sport they love. What first drew James to Sharon was her incredible strength and resilience; she reminded him of the best qualities of his mother—kindness, courage, and a quiet determination. With those shared values, James and Sharon have built a partnership grounded in love, respect, and a deep commitment to creating a warm, joyful home for their future child.

WEEKEND GOLFING WITH THE GUYS

From the moment I met James, I knew there was something extraordinary about him. His warmth, patience, and gentle strength made me feel safe in a way I had never experienced before. James is kind and thoughtful, with a heart that always puts others first. He has a calm, steady presence that balances my energy perfectly, and his sense of humor keeps laughter at the center of our lives. Watching how deeply he

loves—whether it's with our dog Loki, his family, or even the people he meets every day—fills me with so much confidence about the kind of father he'll be. I know he'll be the kind of parent who listens, encourages, and guides with compassion and patience. He'll be the dad cheering the loudest from the sidelines, teaching your child about kindness and resilience, and making every moment—big or small—feel special and full of love.

LOKI, OUR FIVE-YEAR-
OLD BLUE HEELER, IS
THE HEART OF OUR
LITTLE FAMILY.

Kind, loving, and a little goofy, he fills
our home with warmth and laughter. As

James's first pet, their bond is
incredibly special and built on years of
love and trust. Whether they're playing
together or sharing quiet moments on
the couch, his affection is constant and
comforting. Your child would grow up

surrounded by that same unconditional
love, welcomed into a home where
gentleness, loyalty, and a true sense of
belonging are part of everyday life.

OUR TRADITIONS

Our family cherishes the traditions that have shaped us, and we are excited to blend them in *meaningful ways*.

Sharon grew up celebrating Christmas in her family, while James grew up observing the Jewish High Holidays in his family. Being an Interfaith family it is our intention to honor both of these family traditions in our home, creating a rich, inclusive environment full of love and celebration. Your child will grow up surrounded by the warmth of both traditions. It is our intention to teach your child the importance of family, faith, and respect for their heritage.

FAMILY MEANS EVERYTHING TO US, AND WHILE OUR RELATIVES MAY LIVE FAR AWAY, OUR HEARTS ARE ALWAYS FULL.

Sharon has an older brother who lives in Berlin, Germany, and James is an only child, so we've built a close-knit "chosen family" right here in Orlando. Our friends have become like siblings to us, and their children call us "Aunt Sharon" and "Uncle James," a role we cherish deeply. We love being part of their milestones. Our home is filled with laughter, warmth, and love from the family we've created, and we can't wait to welcome your child into that circle of support, joy, and belonging.

We want you to know that you will always be honored and respected as an important part of their story, and we will speak of you with gratitude, love, and compassion always.
