

MEET

Terrell & Chelsa

READY TO WRAP A CHILD IN LOVE AND JOY.

Our Story

Dear Expectant Parent,

Hello! We are Terrell and Chelsa, and we are so incredibly grateful you are taking the time to get to know us. Please know that we are already praying for you and your sweet baby. Our journey to adoption has been a beautiful path guided by God. After facing fertility challenges, He clearly pointed our hearts toward adoption. We feel profoundly blessed by this calling and cannot wait to welcome a child into our family.

Our love story started beautifully when a family member introduced us, and we have been inseparable ever since. From the very beginning, our lives have been filled with love, deep laughter, and absolute fun. Through life's highest joys and its quiet tears, God's guidance has always been the anchor of our relationship.

We believe in living life to the fullest and filling our home with joy. Faith and family are at the center of everything we do. On any given week, you can find us:

- Singing and worshipping together at church.
- Hosting cozy movie nights on the couch.
- Heading out to eat to try new restaurants.
- Packing up for road trips and exploring new places.

Our absolute favorite memory together is traveling to the beautiful mountains with our family, surrounded by nature and the people we love most.

We are blessed with an amazing, rock-solid support system. Our parents, extended family, and closest friends are overjoyed and ready to wrap this child in a lifetime of love. As parents, we promise to provide a fun, safe, and deeply loving Christian home where your child will always know how precious they are. Thank you for considering us to be a part of your child's sacred story.

With all our love and blessings,

Terrell & Chelsa

Meet Chelsa

Hi, I'm Chelsa! I am so incredibly filled with joy and excitement to be on this journey toward adoption. My life has been shaped by faith, resilience, and an abundance of love. As a childhood cancer survivor who has been blessed with over a decade of remission, I have a deep appreciation for the gift of life. While learning that I couldn't conceive was deeply heartbreaking, God spoke to my heart and closed that door to open a beautiful new one. I know with absolute certainty that adoption is His perfect plan for me to love, cherish, and bless a baby.

By nature, I am a loving, kind, and fun-loving person who loves to laugh and bring a little spark to life. I work full-time in customer service—a job I truly love because it allows me to help people every day. Plus, having my weekends free means my Saturdays and Sundays are completely dedicated to family, fun, and creating memories. I am incredibly blessed with an amazing support system, especially my wonderful mother. She is the kindest, sweetest soul, and she taught me everything I know in the kitchen! I cannot wait to pour all of this love, laughter, and homemade cooking into raising a child.

Choosing love, choosing family.

Meet Terrell

Hi, I'm Terrell! Family and faith are the absolute foundation of my life. I am a proud full-time worker, but my greatest joy comes from the time I spend with the people I love. Music is a huge part of my soul, and I am blessed to sing in a gospel quartet group alongside my family. When I'm not singing or at church, I love traveling, exploring new places, and meeting new people. My weekends are all about family, food, and sports—you can always count on me rooting for the Alabama Crimson Tide on Saturdays and cheering on the Philadelphia Eagles on Sundays. Fly Eagles Fly and Roll Tide!

My six-year-old son is my absolute world. Seeing the way he already loves Chelsa completely melts my heart, and it makes me so excited to expand our family. Chelsa means everything to me, and I fully support her in all that she does. Building a life and a family together is my highest priority. I am incredibly close with my mom, my dad, and my oldest brother, and we have a deep, supportive bond. We are praying and trusting in God's plan to bless our family with a baby, and I cannot wait to give a new little one a lifetime of pure love, music, and joy.

Our Loving Home

Home is where HAPPINESS begins!

Our home is a place of comfort, faith, and unconditional love. It is a welcoming space where friends become family, Sundays are for resting and rooting for our favorite teams, and every corner is ready to welcome, protect, and bless a precious new baby.

If you were to step into our family circle, the first things you would notice are the warmth, the music, and the pure joy. We love being around people, meeting new friends, and celebrating our blessings. Our weekends are a lively reflection of who we are: Saturdays are for Alabama football, Sundays are for church and the Philadelphia Eagles, and every day is filled with gospel music sung straight from the heart. We are incredibly blessed with sweet, supportive parents and siblings who are just as excited as we are to welcome a new little one. We are a team in every sense of the word, and we are ready to pour all our love into raising a child.
