THANK YOU FOR TAKING THE TIME
TO LEARN A LITTLE **ABOUT US.**

We can only imagine the thought, courage, and emotion that goes into such an important decision, and we have tremendous respect for your journey.

WE ARE **EXCITED** ABOUT THE
POSSIBILITY OF GROWING OUR
FAMILY THROUGH **ADOPTION**.

We are proud first-generation Mexican-Americans, and our heritage is an important part of who we are. Family, culture, and traditions are deeply meaningful to us, and we look forward to sharing them with our child.

Our Christian faith is also central to our lives. We hope to raise our child in a home filled with faith, love, kindness, compassion, and gratitude. Most of all, we want our child to always feel safe, supported, and unconditionally loved. We hope to be parents who listen, guide, encourage, celebrate, and cherish every moment. We are grateful for the opportunity to share our story with you.

OUR STORY

Our story began at Kohl's where we met, while working third shift and attending college. What started as a friendship naturally grew into a loving relationship and within less than 2 years we were married. From the beginning of our relationship, we talked about adoption and knew that we wanted to grow our family through adoption some day.

Our relationship has always been built on honesty, trust, faith, and communication. We have always been there for one another, and our goals for the future aligned.

We enjoy the simple moments of everyday life, especially cooking together and spending time with the people we love most. Family is an important part of our lives. Almost every weekend, we gather with either side of our family for dinner. Sundays are special to us as we attend church together, enjoy the day and prepare for the week ahead.

We also love to travel and experience new places. We look forward to sharing those adventures with our child, creating lasting memories, exploring new places, and showing them the world through our eyes.

WE ARE EXCITED FOR THE **JOURNEY**
AHEAD AND THE **MEMORIES** WE
WILL CREATE **TOGETHER.**

HONEST

Being the oldest of three siblings taught me to be caring, responsible, and dependable. I learned early to look out for my younger brothers and I continue to be someone they can count on.

As a child, I would go to Mexico every year to visit my family. Spending time with my cousins created many special memories and helped me appreciate the importance of family and staying connected to the people I love.

In my free time, I like reading on my Kindle, making sourdough, cooking, and traveling. I love being in the kitchen and trying new recipes with family and friends.

AS A MOM, I LOOK FORWARD TO BUILDING
A LIFE FULL OF SHARED **EXPERIENCES,**
WARMTH, AND **UNCONDITIONAL LOVE.**

TONY SAYS

What excites me most about Crystal as a parent is how detail-oriented and precise she is, she'll make sure everything is done thoughtfully and properly. I can picture her reading a bedtime story to our child every night, making that little routine feel consistent, special and full of care.

CARING

As the oldest of four brothers, I grew up in a busy energetic household where I naturally became a role model. Helping and looking out for my younger brothers taught me the importance of being responsible, dependable, and selfless. Qualities that still define me today.

Outside of work, I enjoy watching movies, going on cruises with my family, and cooking for family. I also love cracking jokes and finding ways to make people laugh because I believe a little joy can make someone's day.

As a new dad, I am most excited about creating memories and sharing everyday moments with my child. I want to introduce them to things I love while encouraging them to discover their own interests and dreams.

**MOST OF ALL, I WANT TO SUPPORT MY
CHILD IN FINDING THEIR OWN PATH.**

CRYSTAL SAYS

Tony is a kid at heart, and I'm excited to see him bring that playful side to parenthood. The kids in our family love joking around with him because he'll always join in. I can already picture him carrying our child on his shoulders through Disneyland, laughing and making memories together.

OUR HOME

IN WISCONSIN

Our home feels warm and welcoming, a place where we truly enjoy spending time together. We love having family and friends over, relaxing in our fenced backyard, and gathering in the kitchen or around the dining table where so many of our best conversations happen.

Our neighborhood is connected and family-oriented, with a beautiful walking trail and school nearby. It's a safe, friendly place where neighbors know each other and look out for one another.

We love all our community has to offer throughout the year. We look forward to taking our child to the downtown farmers market, enjoying summer walks and local events, and spending winter days sledding and ice skating together.

The nursery is ready!

We love relaxing and watching movies in our living room

WE LOVE THE **HOME** WE'VE CREATED HERE AND
THE **WELCOMING** COMMUNITY AROUND US.

With strong schools, a sense of safety and plenty of support nearby, it feels like a wonderful place to raise a child and make memories together.

MEET MILO

Our Goldendoodle Milo is such a loving and playful part of our family. He is affectionate, loves attention, and is wonderful with children and guests. We love playing fetch and watching him happily nap while we work from home. He never turns down a treat, especially his weekend doggy ice cream. Every year, we celebrate his birthday, which has become one of our favorite little family traditions.

OUR FAMILY

We are both very close to our parents, and our relationships are rooted in genuine friendship, love and support. Family has always been at the heart of our lives. Both sets of our parents have been married for over 30 years, and their strong, loving marriages have given us a beautiful example of commitment, partnership, and what it means to build a lasting life together.

During the summers, we cherish cookouts and holidays spent with both sides of the family, filled with laughter, good food, and time together. Most Saturdays, we share dinner with Crystal's parents, taking turns hosting and hearing their childhood stories.

OUR **BIG FAMILY** IS ONE OF OUR **GREATEST JOYS.**

Our extended family is large, close-knit, and full of love. Every Thanksgiving, relatives from across the state come together to reconnect. Christmas is especially meaningful, and with such a big family, we sometimes rent a hall just so everyone can be together.

We look forward to welcoming a child into this loving, supportive circle, surrounded by great grandparents, grandparents, aunts, uncles, cousins, and so many people excited to watch them grow and be part of their life.

OUR **HOPES** AS **PARENTS**

WE HOPE OUR
CHILD GROWS UP
ALWAYS FEELING
DEEPLY LOVED,
SUPPORTED, AND
COMFORTABLE
BEING EXACTLY
WHO THEY ARE.

We hope to teach them to be compassionate, confident, respectful, and kind. We also hope to raise them with faith, seeking guidance through God and trusting Him to guide our family through life's joys and challenges.

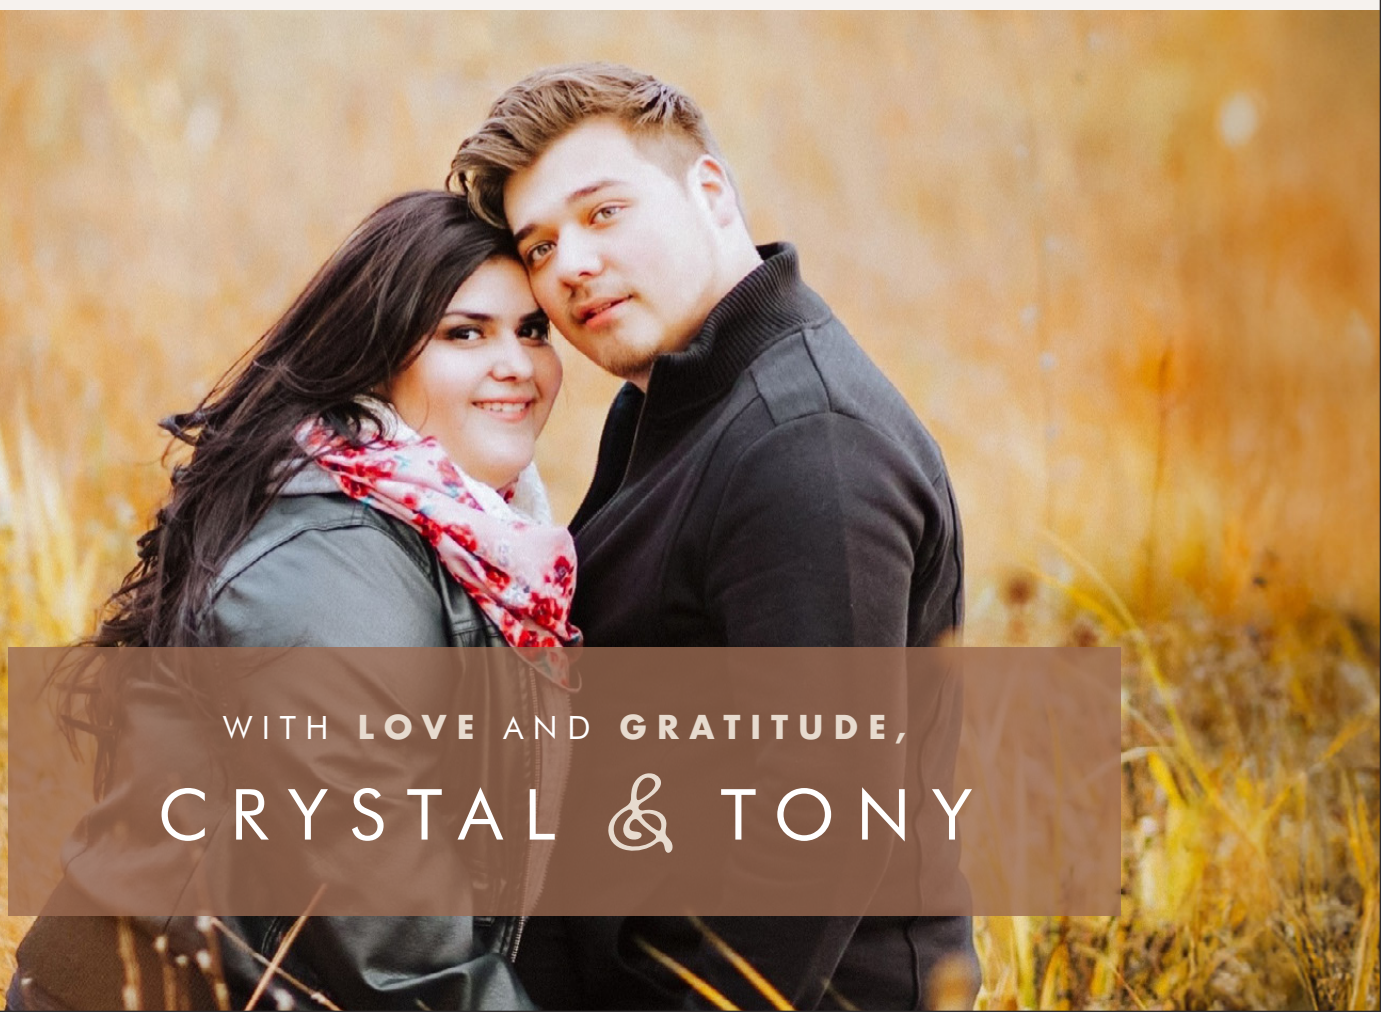

To us, open adoption means honoring and supporting the connection between a child and their birth family. We will approach that relationship with openness, respect, and care, always speak about you and your decision with love, and make sure their adoption story is a meaningful part of who they are.

We look forward to family dinners, birthday celebrations, holiday traditions, weekend adventures, and every day memories. Most of all, we want our child to grow up surrounded by love, faith, family, and appreciation for their culture, heritage, and the beauty of diversity.

OUR **HEARTS** ARE OPEN

Thank you for taking the time to learn about us and for allowing us to share a little of our lives with you. We know this is a deeply personal decision, and we have so much respect for the love, thought, and strength that goes into it.

Whatever decision you make, we hope you feel surrounded by peace, support, and kindness. We are grateful for the opportunity to be considered and hope you can feel the genuine love and warmth we would welcome a child with.

WITH **LOVE** AND **GRATITUDE**,
CRYSTAL & TONY

THANK YOU!
