

HEIDI & ANDY

"As parents
through adoption,
we will forever
know there are
not enough words,
and there will
never be anything
we could give,
**that would be
as meaningful as
the life you created
and chose to
share with us."**

HEAD

Hello!

IT'S SO NICE TO MEET YOU.

Thank you for taking the time to get to know us. We admire your courage and strength as you consider the best future for your baby, and we are truly honored that you would spend a little time with our story. We hope you'll see that we are a positive, supportive, easygoing, adventure-loving family. We love our home and our life together, and we can't wait to welcome a child into it.

Our journey together started eight years ago,
and we come to you full of hope and joy,
with open arms and hearts ready to grow.

Heidi and Andy

Our story

WE MET ONLINE AND OUR FIRST DATE WAS AT THE LOCAL OLIVE GARDEN. IT WAS EARLY AUGUST, THE SKY WAS ORANGE AND HAZY FROM A CANADIAN WILDFIRE OVERHEAD.

We spent hours talking about life, our hopes, and our dreams. Heidi fell in love with Andy's steady, grounded presence, humor, and kindness, and quickly knew she had found the person she would marry. Andy was drawn to Heidi's adventurous spirit, her laughter, and her compassion for all living things.

We shared many travels and adventures before Andy proposed on a 200-year-old boat in Puget Sound. Eight months later, in 2019, we married and honeymooned in Italy, Croatia, and Switzerland. Since then, we've grown our small family business and built our forever home. **Life has been so full of joy, love and togetherness—and we're so excited to one day share all of it with a child.**

THE GREATEST DREAM OF OUR LIVES HAS ALWAYS BEEN TO HAVE A FAMILY.

Why adoption?

After years of infertility and loss, we felt a deep and undeniable calling that the next step in our journey was adoption. **If you choose adoption, we would be humbled and honored for you to consider us as part of your child's story.** We promise to provide a supportive, healthy, and stable home where your baby can grow and thrive. For us, life is about connection, family, unity, and love, and we are ready to share all of this with a child.

meet Heidi

as told by Andy

WHEN I THINK OF HEIDI, I FEEL GRATEFUL EVERY DAY TO BE HER HUSBAND.

She is strong, hardworking, and compassionate, with a gift for seeing beauty in the world and bringing joy to others. She makes time for everyone's needs, caring deeply for family, friends, and those around her.

Heidi has a natural way with children, giving them her full attention and making them feel truly valued and loved. From the moment I met her, I knew she would be a wonderful mother, and that belief only grows stronger with time.

Heidi will surround your child with compassion, *joy*, and unconditional love.

meet Andy

as told by Heidi

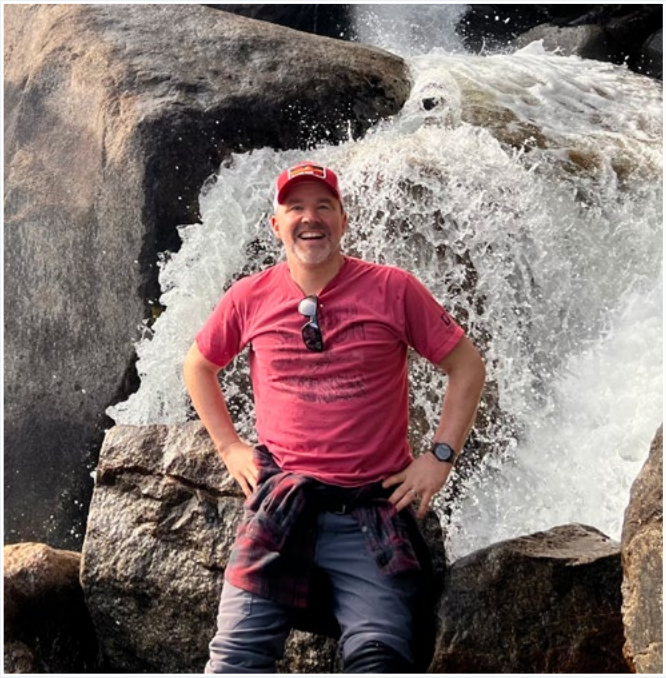

ANDY IS THE MOST GENTLE, HUMBLE, AND LOVING SOUL I'VE EVER MET.

He radiates positivity and truly cares about everyone around him. His friendships, many spanning over thirty years, are a testament to his loyalty and integrity. Andy is calm, respectful, patient, and a wonderful listener.

I love seeing the world through Andy's eyes. He connects so naturally with people and finds joy even in life's simple moments. I know without a doubt that he will be a steady, kind, and nurturing father.

Andy will give a child patience, kindness, and a safe place to grow.

MEET OLIVE & JOY: BEST FRIENDS

OLIVE is a gentle 13-year-old Lab mix who has been with Heidi since she was a puppy. She loves swimming, belly rubs, and spending time with kids in the neighborhood.

JOY is a four-year-old Coltriever (Border Collie and Golden Retriever). She came to us as the runt of her litter and has grown into the sweetest, most patient companion. Joy especially adores children—following them around, offering snuggles, and making sure they are cared for.

Both Olive and Joy bring love and warmth to our lives, and we know they'll be wonderful companions to your child.

our home

HOME IS OUR FAVORITE PLACE TO BE!

We live northeast of Seattle, Washington, in a five-bedroom farmhouse we built in 2022. Nestled in the woods, our home offers both quiet privacy and the convenience of being just 45 minutes from the city. Our kitchen is the heart of the home, and large windows bring in forest views. Outside, a wrap-around porch and rose garden welcome wildlife and birds each day.

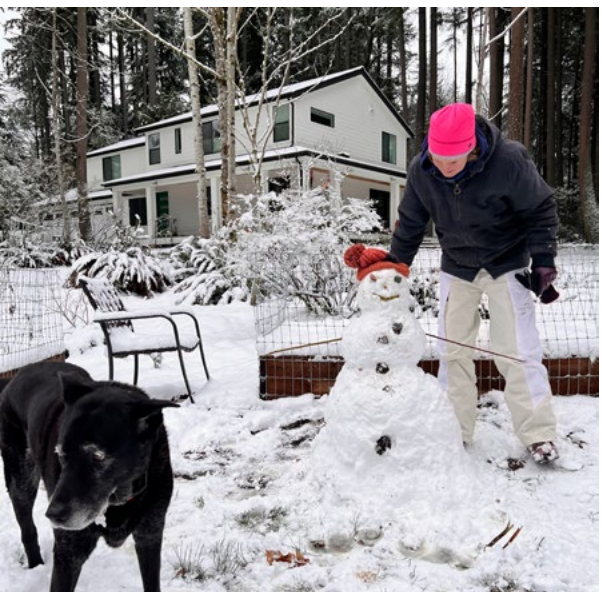

WE BUILT THIS HOME WITH OUR FUTURE FAMILY IN MIND.

One room is already prepared as a nursery! **Andy's parents live next door,** connected by trails through the woods, and we often walk between houses. Our neighborhood is safe, filled with kind neighbors and young families. We feel incredibly grateful to live in a place that is both peaceful and full of community.

Our families

FAMILY IS A CENTRAL PART OF OUR LIVES.

From the beginning, our families connected seamlessly, and now holidays, birthdays, and weekends often mean gathering together. We cook, do crafts, fish, take long walks, and play games, always sharing laughter and traditions.

Andy is an only child, while Heidi has two siblings. His parents live next door, and Heidi's mom lives by the beach just over an hour away. Though Heidi's father passed away several years ago, both families are deeply supportive and cannot wait to become grandparents.

We feel so blessed to have all this love and connection close.

adventures

"WE SEEK OUT NEW ADVENTURES AND ROADS LESS TRAVELED."

We love being out in nature; whether by the water, in the mountains, or gathered around a campfire. From the dense forests of Alaska and Canada to the warm beaches of Mexico, we've cherished every chance to explore the world together.

Sometimes our trips are planned, other times spontaneous, but what makes each one special is being together. We can't wait to share these adventures with a child and to experience the wonder of travel through their eyes.

our friends

Along with our family, our friends have also been a huge influence in our lives and have been extremely supportive in our desire to adopt. We love to get together with them, whether it's for dinner and games, or a weekend getaway. We always have a great time. They are so excited for us to add a little one to our family!
